JOINT PROXY STATEMENT

**For the Annual Meetings of Shareholders
each to be held on April 28, 2022**

This Joint Proxy Statement is furnished in connection with the solicitation of proxies by each Fund’s Board of Trustees (each, a “Board,” and collectively, the “Boards,” with members of each Board being referred to as “Trustees”) to be voted at the Annual Meeting of Shareholders of each Fund (each, a “Meeting,” and collectively, the “Meetings”) to be held in a virtual meeting format on Thursday, April 28, 2022 and at any adjournments or postponements thereof. A Notice of Annual Meetings of Shareholders and a proxy card (the “Proxy Card”) accompany this Joint Proxy Statement. This Joint Proxy Statement is first being mailed on or about March 24, 2022 to shareholders of record as of March 14, 2022.

The purpose of the Annual Meetings is to consider and act upon the following proposals (each a “Proposal”):

AGD — To elect one Class II Trustee to serve for a three-year term.

AOD — To elect one Class II Trustee to serve for a three-year term.

AWP — To elect one Class II Trustee to serve for a three-year term.

All properly executed proxies received prior to a Meeting will be voted at that Meeting, or at any adjournments or postponements thereof, in accordance with the instructions marked on the Proxy Card. Unless instructions to the contrary are marked on the Proxy Card, proxies received will be voted **“FOR”** each Proposal. The persons named as proxy holders on the Proxy Card will vote in their discretion on any other matters that may properly come before each Meeting or any adjournments or postponements thereof. Any proxy may be revoked at any time prior to its exercise by submitting a properly executed, subsequently dated Proxy Card, giving written notice to Megan Kennedy, Secretary of the Fund(s), 1900 Market Street, Suite 200, Philadelphia, PA 19103, or by virtually attending a Meeting and voting online. Shareholders may authorize proxy voting by using the enclosed Proxy Card along with the enclosed envelope with pre-paid postage. Shareholders may also authorize proxy voting by telephone or through the internet by following the instructions contained on their Proxy Card. Shareholders do not have dissenter’s rights of appraisal in connection with any of the matters to be voted on by the shareholders at each Meeting.

In order to transact business at the Meetings, a “quorum” must be present. Under each Fund’s Agreement and Declaration of Trust, a quorum is constituted by the presence in person or by proxy of shareholders representing a majority of the outstanding shares of the respective Fund on the record date entitled to vote on a matter. Abstentions and broker non-votes (i.e., proxies from brokers or nominees indicating that they have not received instructions from the beneficial owners on an item for which the brokers or nominees do not have discretionary power to vote) will be treated as present for determining whether a quorum is present with respect to a particular matter at the Meeting.

The election of a Trustee to a Board requires the affirmative vote of a plurality of the shares entitled to vote for the election of any Trustee present virtually or represented by proxy at the Meeting with a quorum present. Under a plurality vote, the nominees who receive the highest number of votes will be elected even if they receive less than a majority of the votes. For purposes of the election of Trustees, abstentions and broker non-votes will be counted as shares present for quorum purposes, but will not be treated as votes cast. Abstentions and broker non-votes, therefore, will have no effect on the election of the Class II Trustee. All properly executed proxies received prior to the Meeting will be voted, at the Meeting or at any adjournments or postponements thereof, in accordance with the instructions marked thereon. Proxies received prior to the Meeting on which no vote is indicated will be voted “FOR” the election of the Class II Trustee.

Brokers holding shares of a Fund in “street name” for the benefit of their customers and clients will request the instructions of such customers and clients on how to vote their shares before the Meeting. Under the rules of the New York Stock Exchange (“NYSE”), such brokers may, for certain “routine” matters, grant discretionary authority to the proxies designated by the Board to vote if no instructions have been received from their customers and clients prior to the date specified in the brokers’ request for voting instructions. Each Proposal is a “routine” matter and accordingly beneficial owners who do not provide proxy instructions or who do not return a proxy card may have their shares voted by broker-dealer firms in favor of the Proposal.

The chair of the Meeting shall have the power to adjourn the Meeting without further notice other than announcement at the Meeting. Each Board of Trustees also has the power to postpone the Meeting to a later date and/or time in advance of the Meeting. Abstentions and broker non-votes will have the same effect at any adjourned or postponed meeting as noted above. Any business that might have been transacted at the Meeting may be transacted at any such adjourned or postponed session(s) at which a quorum is present.

Written notice of an adjournment of the Meeting, stating the place, date and hour thereof, shall be given to each shareholder entitled to vote thereat at least ten (10) days prior to the Meeting, if the Meeting is adjourned to a date more than one hundred thirty (130) days after the original Record Date set for the Meeting.

We will admit to each Meeting (1) all shareholders of record on March 14, 2022 (the “Record Date”), (2) persons holding proof of beneficial ownership at the Record Date, such as a letter or account statement from the person’s broker, (3) persons who have been granted proxies, and (4) such other persons that we, in our sole discretion, may elect to admit. If you hold your shares through an intermediary, such as a bank or broker, you must register in advance to attend the Annual Meeting. To register you must submit proof of your proxy power (legal proxy) reflecting your Fund holdings along with your name and email address to Computershare Fund Services, the Funds’ proxy tabulator. You may forward an email from your intermediary or attach an image of your legal proxy to shareholdermeetings@computershare.com. Requests for registration for an Annual Meeting must be received no later than 5:00 p.m., Eastern Time, on April 25, 2022. You will receive a confirmation email from Computershare of your registration and a control number that will allow you to vote at the Annual Meeting.

Each Board has fixed the close of business on March 14, 2022 as the Record Date for the determination of shareholders entitled to notice of, and to vote at, each Meeting and at any adjournment or postponement thereof.

Each Fund has one class of shares, par value \$0.001 per share. Each share of a Fund is entitled to one vote at the Fund’s Annual Meeting, and fractional shares are entitled to a proportionate share of one vote. On the Record Date, the following number of shares of each Fund were issued and outstanding:

AGD	12,549,581
AOD	105,430,998
AWP	85,407,951

Important Notice Regarding the Availability of Proxy Materials for the Meetings to Be Held on Thursday, April 28, 2022 in a virtual meeting format. The Proxy Materials and each Fund’s most recent annual report for the fiscal year ended October 31, 2021 are available on the Internet at <http://www.abrdn.com/en-us/cefinvestorcenter>. Each Fund will furnish, without charge, a copy of its annual report for the fiscal year ended October 31, 2021 and any more recent reports, to any Fund shareholder upon request. To request a copy, please write to the Funds c/o abrdn Inc., 1900 Market Street, Suite 200, Philadelphia, PA 19103, or call 1-800-522-5465. You may also call for information on how to obtain directions to be able to register to attend a Meeting.

The Election of a Class II Trustee

Pursuant to each Fund’s Agreement and Declaration of Trust, each Board is divided into three classes, as nearly equal in number as possible, each of which will serve for three years, with one class being elected each year. If elected, each Trustee is entitled to hold office until the Annual Meeting in the year noted below or until his or her successor is elected and qualifies. Trustees who are deemed “interested persons” (as that term is defined in Section 2(a)(19) of the 1940 Act), of a Fund, Aberdeen Asset Managers Limited (“AAML” or the “Investment Adviser), are referred to in this Joint Proxy Statement as “Interested Trustees.” Trustees who are not interested persons, as described above, are referred to in this Joint Proxy Statement as “Independent Trustees.”

Each Fund’s Board, including the Independent Trustees, upon the recommendation of such Board’s Nominating and Corporate Governance Committee, which is composed entirely of Independent Trustees, has nominated the following nominee as Class II Trustee to its Board as follows:

Aberdeen Global Dynamic Dividend Fund	P. Gerald Malone (Class II Trustee, 3-year term ending 2025)
Aberdeen Total Dynamic Dividend Fund	P. Gerald Malone (Class II Trustee, 3-year term ending 2025)
Aberdeen Global Premier Properties Fund	P. Gerald Malone (Class II Trustee, 3-year term ending 2025)

The nominee has indicated an intention to serve as a Class II Trustee if elected and has consented to be named in this Joint Proxy Statement.

It is the intention of the persons named as proxies on the enclosed Proxy Card(s) to vote “**FOR**” the election of the nominee for Class II Trustee to serve for a three-year term. Each Fund’s Board knows of no reason why the nominee would be unable to serve, but in the event of any such inability, the proxies received will be voted for such substituted nominee as such Fund’s Board may recommend.

The following tables set forth certain information regarding the nominee for election to the Boards of the Funds, Trustees whose terms of office continue beyond the Meetings, and the principal officers of the Funds.

ADDITIONAL INFORMATION ABOUT THE TRUSTEES

Each Board believes that each Trustee’s experience, qualifications, attributes and skills on an individual basis and in combination with those of the other Trustees lead to the conclusion that the Trustees possess the requisite experience, qualifications, attributes and skills to serve on their respective Board. Each Board believes that the Trustees’ ability to review critically, evaluate, question and discuss information provided to them; to interact effectively with the Investment Adviser, other service providers, counsel and independent auditors; and to exercise effective business judgment in the performance of their duties, support this conclusion. Each Board has also considered the contributions that each Trustee can make to the respective Board on which he or she serves and to the Fund(s).

A Trustee’s ability to perform his or her duties effectively may have been attained through the Trustee’s executive, business, consulting, and/or legal positions; experience from service as a Trustee of the Fund(s) and other funds/portfolios in the Aberdeen complex, other investment funds, public companies, or non-profit entities or other organizations; educational background or professional training or practice; and/or other life experiences. In this regard, the following specific experience, qualifications, attributes and/or skills apply as to each Trustee in addition to the information set forth in the table above: Ms. Maasbach, financial and research analysis experience in and covering the Asia region and experience in world affairs; Mr. Malone, legal background and public service leadership experience, board experience with other public and private companies, and executive and business consulting experience; Mr. Sievwright, banking and accounting experience and experience as a board member of public companies; Mr. Bird, Chief Executive Officer of abrtn and prior Chief Executive Officer of other public companies.

Each Board believes that the significance of each Trustee’s experience, qualifications, attributes or skills is an individual matter (meaning that experience important for one Trustee may not have the same value for another) and that these factors are best evaluated at the Board level, with no single Trustee, or particular factor, being indicative of Board effectiveness. In its periodic self-assessment of the effectiveness of the Board, each Board considers the complementary individual skills and experience of the individual Trustees in the broader context of the Board’s overall composition so that the Board, as a body, possesses the appropriate (and appropriately diverse) skills and experience to oversee the business of the Fund. References to the qualifications, attributes and skills of Trustees are presented pursuant to disclosure requirements of the Securities and Exchange Commission (“SEC”), do not constitute holding out a Board or any Trustee as having any special expertise or experience, and shall not impose any greater responsibility or liability on any such person or on a Board by reason thereof.

- (1) This information has been furnished by each Trustee as of March 24, 2022. “Beneficial ownership” is determined in accordance with Rule 16a-1(a)(2) promulgated under the Securities Exchange Act of 1934, as amended (the “1934 Act”).
- (2) “Family of Investment Companies” means those registered investment companies that share Aberdeen or an affiliate as the investment adviser and that hold themselves out to investors as related companies for purposes of investment and investor services.

As of March 24, 2022, each Fund’s Trustees and officers, in the aggregate, owned less than 1% of that Fund’s outstanding equity securities. As of March 24, 2022, none of the Independent Trustees or their immediate family members owned any shares of the Investment Adviser of any person (other than a registered investment company) directly or indirectly controlling, controlled by, or under common control with the Investment Adviser.

Mr. Pittard and Ms. Melia serve as executive officers of the Funds. As of March 24, 2022, Mr. Pittard and Ms. Melia did not own shares of the Funds.

BOARD AND COMMITTEE STRUCTURE

The Board of Trustees of each Fund is composed of four Trustees, three of whom are not “interested persons” (as that term is defined in the Investment Company Act of 1940 (“1940 Act”)) of the Fund, its Investment Adviser (each an “Independent Trustee,” and collectively, the “Independent Trustees”). Each Fund divides the Board into three classes, each class having a term of three years. Each year, the term of office of one class will expire and the successor(s) elected to such class will serve for a three-year term.

Each Board has appointed Mr. Malone, an Independent Trustee, as Chair. The Chair presides at meetings of the Trustees, participates in the preparation of the agenda for meetings of the Board, and acts as a liaison between the Trustees and management between Board meetings. Except for any duties specified herein, the designation of the Chair does not impose on such Trustee any duties, obligations or liability that is greater than the duties, obligations or liability imposed on such person as a member of the Board, generally.

Each Board holds regular quarterly meetings to consider and address matters involving the respective Fund. Each Board also may hold special meetings to address matters arising between regular meetings. The Independent

Trustees also meet outside the presence of management in executive session at least quarterly and have engaged separate, independent legal counsel to assist them in performing their oversight responsibilities.

Each Board has established a committee structure that includes an Audit and Valuation Committee and a Nominating and Corporate Governance Committee (each discussed in more detail below) to assist each Board in the oversight and direction of the business affairs of the respective Fund, and from time to time may establish informal ad hoc committees or working groups to review and address the practices of the respective Fund with respect to specific matters. The Committee system facilitates the timely and efficient consideration of matters by the Trustees, and facilitates effective oversight of compliance with legal and regulatory requirements and of each Fund's activities and associated risks. The standing Committees currently conduct an annual review of their charters, which includes a review of their responsibilities and operations.

Each Nominating and Corporate Governance Committee and each Board as a whole also conduct an annual self-assessment of the performance of the Board, including consideration of the effectiveness of the Board's Committee structure. Each Committee is comprised entirely of Independent Trustees. Each Committee member is also "independent" within the meaning of the NYSE listing standards. Each Board reviews its structure regularly and believes that its leadership structure, including having a super-majority of Independent Trustees, coupled with an Independent Trustee as Chair, is appropriate because it allows the Board to exercise informed and independent judgment over the matters under its purview and it allocates areas of responsibility among the Committees and the full Board in a manner that enhances efficient and effective oversight.

Board and Committee Meetings in Fiscal Year 2021

During the fiscal year ended October 31, 2021, each Board held four quarterly meetings and three special meetings. During such fiscal year, based on available records, the Trustees serving during that fiscal year attended at least 75% of the aggregate number of meetings of the Boards and of the Committees of the Boards on which they served.

Audit and Valuation Committee

Each Board has an Audit and Valuation Committee consisting of all the Independent Trustees. In addition, the members of the Audit and Valuation Committee are also "independent," as defined in the Fund's written Audit and Valuation Committee Charter. The members of each Audit and Valuation Committee are Ms. Maasbach, Mr. Malone and Mr. Sievwright. Mr. Sievwright serves as the Chair of each Audit and Valuation Committee and the Audit Committee Financial Expert.

The Audit and Valuation Committees oversee the scope of each Fund's audit, such Fund's accounting and financial reporting policies and practices and its internal controls. The Audit and Valuation Committees assist the Boards in fulfilling their responsibilities for oversight of the integrity of the Funds' accounting, auditing and financial reporting practices, the qualifications and independence of the Funds' independent registered public accounting firm and the Funds' compliance with legal and regulatory requirements. The Audit and Valuation Committees approve, and recommend to the Boards for ratification, the selection, appointment, retention or termination of the Funds' independent registered public accounting firm and approves the compensation of the independent registered public accounting firm. The Audit and Valuation Committees also approve all audit and permissible non-audit services provided to the Funds by the independent registered public accounting firm and all permissible non-audit services provided by the Funds' independent registered public accounting firm to the Investment Adviser and service providers if the engagement relates directly to the Funds' operations and financial reporting. The Audit and Valuation Committees are also responsible for monitoring the valuation of portfolio securities and other investments. The written Charters for the Audit and Valuation Committees are available at the Funds' websites at www.aberdeenaod.com, www.aberdeenagd.com and www.aberdeenawp.com. During the fiscal year ended October 31, 2021, each Audit and Valuation Committee met 5 times.

Service providers to the Funds, primarily the Investment Adviser, have responsibility for the day-to-day management of the Funds, which includes responsibility for risk management. As an integral part of its responsibility for oversight of the Funds, the Boards oversee risk management of the Funds' investment program and business affairs. Oversight of the risk management process is part of the Boards' general oversight of the Funds and their service providers.

Nominating and Corporate Governance Committee; Consideration of Potential Trustee Nominees

Each Board has a Nominating and Corporate Governance Committee (the "Nominating Committee") consisting of all the Independent Trustees. The members of the Nominating Committee are Ms. Maasbach, Mr. Malone and Mr. Sievwright. Mr. Malone serves as the Chair of the Nominating Committees.

Each Nominating Committee is responsible for overseeing Board governance and related Trustee practices, including selecting and recommending candidates to fill vacancies on the Board. The Nominating Committees will consider Trustee candidates recommended by shareholders of the Funds. Recommendations for consideration by a Nominating Committee should be sent to the Chair of the Nominating Committee in writing together with the appropriate biographical information concerning each such recommended nominee. In addition, shareholders may themselves nominate individuals for election to a Board of Trustees for the Funds if they follow the advance notice provisions in the Funds' By-Laws, as more fully set forth on page 18.

In identifying and evaluating nominees for Trustee, the Nominating Committees seek to ensure that the Boards possess, in the aggregate, the strategic, managerial and financial skills and experience necessary to fulfill its duties and to achieve its objectives, and also seeks to ensure that the Boards of Trustees are comprised of trustees who have broad and diverse backgrounds. The Nominating Committees look at each nominee on a case-by-case basis. In looking at the qualification of each candidate to determine if his or her election would further the goals described above, each Nominating Committee takes into account all factors it considers appropriate, which may include strength of character, mature judgment, career specialization, relevant technical skills or financial acumen, diversity of viewpoint and industry knowledge. However, a Board believes that to be recommended as a nominee, whether by the Nominating Committees or at the suggestion of a shareholder, each candidate must: (1) display the highest personal and professional ethics, integrity and values; (2) have the ability to exercise sound business judgment; (3) be highly accomplished in his or her respective field; (4) have relevant expertise and experience; (5) be able to represent all shareholders and be committed to enhancing long-term shareholder value; and (6) have sufficient time available to devote to activities of the Board and enhance his or her knowledge of the Fund's business. The Nominating Committees met two times during the fiscal year ended October 31, 2021. The Board has adopted a written Charter for the Nominating Committee, which is available at the Funds' websites at www.aberdeenaod.com, www.aberdeenagd.com and www.aberdeenawp.com.

Board Oversight of Risk Management

Each Fund is subject to a number of risks, including, among others, investment, compliance, operational and valuation risks. Risk oversight forms part of each Board's general oversight of the respective Fund and is addressed as part of various Board and Committee activities. Each Board has adopted, and periodically reviews, policies and procedures designed to address these risks. Different processes, procedures and controls are employed with respect to different types of risks. Day-to-day risk management functions are subsumed within the responsibilities of the Funds' Investment Adviser, who carry out the Funds' investment management and business affairs and other service providers in connection with the services they provide to the Funds. The Investment Adviser and other service providers have their own, independent interest in risk management, and their policies and methods of risk management will depend on their functions and business models. As part of its regular oversight of each Fund, the respective Board, directly and/or through a Committee, interacts with and reviews reports from, among others, the Investment Adviser and each Fund's other service providers (including the Funds' transfer agent), the Funds' Chief

Compliance Officer, the Funds' independent registered public accounting firm, legal counsel to the Funds, and internal auditors, as appropriate, relating to the operations of the Funds. Each Board also requires the Investment Adviser to report to the Boards on other matters relating to risk management on a regular and as-needed basis. The Boards recognize that it may not be possible to identify all of the risks that may affect the Funds or to develop processes and controls to eliminate or mitigate their occurrence or effects. Each Board may, at any time and in its discretion, change the manner in which it conducts risk oversight.

Communications with the Board of Trustees

Shareholders who wish to communicate with Board members with respect to matters relating to the Funds may address their written correspondence to the Boards as a whole or to individual Board members c/o abrdn Inc., (the "Administrator"), each Funds' administrator, at 1900 Market Street, Suite 200, Philadelphia, PA 19103, or via e-mail to the Trustee(s) c/o Aberdeen Standard Investments Inc. at Investor.Relations@abrdn.com.

Trustees Attendance at Annual Meetings of Shareholders

The Funds have not established a policy with respect to Trustee attendance at annual meetings of shareholders.

REPORTS OF THE AUDIT AND VALUATION COMMITTEES; INFORMATION REGARDING THE FUNDS' INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

At a meeting held on December 14, 2021, the Board of each Fund, including a majority of the Trustees who are not "interested persons," as defined under the 1940 Act, selected KPMG LLP ("KPMG") to act as the independent registered public accounting firm for each Fund for the fiscal year ending October 31, 2022. Although it is not expected that a representative of KPMG will attend the Meetings, a representative will be available by telephone to make a statement to the shareholders, if the representative wishes to do so, and to respond to shareholder questions, if any.

Each Fund's financial statements for the fiscal year ended October 31, 2021 were audited by KPMG. The Audit and Valuation Committee of each Fund has reviewed and discussed the audited financial statements of the Fund with management of the Funds. The Audit and Valuation Committee of each Fund has received the written disclosures and the letter from KPMG required by The Public Company Accounting Oversight Board ("PCAOB") Rule 3526 (PCAOB Rule 1, Communication with Audit Committees Concerning Independence), as may be modified or supplemented, and have discussed with KPMG its independence with respect to the Funds. The Funds know of no direct financial or material indirect financial interest of KPMG in the Funds. The Audit and Valuation Committees have discussed with KPMG the matters required to be discussed by the applicable requirements of the PCAOB and the SEC. Based on the foregoing review and discussions, the Audit and Valuation Committee of each Fund recommended to the respective Board that the audited financial statements of each Fund for the fiscal year ended October 31, 2021 be included in each Fund's most recent annual report filed with the SEC.

Each Audit and Valuation Committee is responsible for pre-approving (i) all audit and permissible non-audit services to be provided by the independent registered public accounting firm to each Fund and (ii) all permissible non-audit services to be provided by the independent registered public accounting firm to each Fund’s Investment Adviser, and any service provider to a Fund controlling, controlled by or under common control with each Fund’s Investment Adviser that provided ongoing services to the Fund (“Covered Service Provider”), if the engagement relates directly to the operations and financial reporting of the Funds. The aggregate fees billed by KPMG for non-audit services rendered to the Fund, the Investment Adviser and any Covered Service Providers for the fiscal year ended October 31, 2021 was \$410,115, and for the fiscal year ended October 31, 2020 was \$365,345.

All of the services described in the table above were pre-approved by the relevant Audit and Valuation Committee.

Each Audit and Valuation Committee has adopted an Audit Committee Charter that provides that the Audit and Valuation Committee shall annually select, retain or terminate, and recommend to the Independent Trustees and to the full Board of Trustees for their ratification, the selection, retention or termination, the Funds’ independent auditor and, in connection therewith, evaluate the terms of the engagement (including compensation of the auditor) and the qualifications and independence of the independent auditor, including whether the independent auditor provides any consulting, auditing or tax services to the Investment Adviser, and receive the independent auditor’s specific representations as to its independence, delineating all relationships between the independent auditor and the Fund, consistent with the Independent Standards Board (“ISB”) Standard No. 1. Each Audit and Valuation Committee Charter also provides that the Committee shall review in advance, and consider approval of, any and all proposals by Fund management or the Investment Adviser that the Funds, Investment Adviser or their affiliated persons, employ the independent auditor to render “permissible non-audit services” to the Fund and to consider whether such services are consistent with the independent auditor’s independence.

Each Audit and Valuation Committee has considered whether the provision of non-audit services that were rendered to the Investment Adviser and any entity controlling, controlled by, or under common control with these entities that provides ongoing services to the Fund that were not pre-approved pursuant to paragraph (c)(7)(ii) of Rule 2-01 of Regulation S-X is compatible with maintaining the principal accountant’s independence and has concluded that it is independent.

Section 16(a) of the 1934 Act and Section 30(h) of the 1940 Act, as applied to the Funds, require the Funds' officers and Trustees, certain officers and directors of the investment advisers, affiliates of the investment advisers, and persons who beneficially own more than 10% of the Fund's outstanding securities to electronically file reports of ownership of the Funds' securities and changes in such ownership with the SEC and the NYSE.

Based solely on each Fund's review of such forms filed on EDGAR or written representations from reporting persons that all reportable transactions were reported, to the knowledge of each Fund, during the fiscal year ended October 31, 2021, each Fund's officers, Trustees and greater than 10% owners timely filed all reports they were required to file under Section 16(a).

Expenses. The expense of preparation, printing and mailing of the enclosed proxy card and accompanying Notice and Joint Proxy Statement will be borne proportionately by each Fund. Each Fund will reimburse banks, brokers and others for their reasonable expenses in forwarding proxy solicitation material to the beneficial owners of the shares of each Fund. In order to obtain the necessary quorum at each Meeting, supplementary solicitation may be made by mail, telephone, telegraph or personal interview. Such solicitation may be conducted by, among others, officers, Trustees and employees of the Funds, AAML, abrdn Inc. or its affiliates.

AST Fund Solutions, LLC (“AST”) has been retained to assist in the solicitation of proxies and will receive an estimated fee of \$2,500 per Fund and be reimbursed for its reasonable expenses. Solicitation and Voting of Proxies. Solicitation of proxies is being made primarily by the mailing of this Joint Proxy Statement with its enclosures on or about March 24, 2022. As mentioned above, AST has been engaged to assist in the solicitation of proxies. As the date of the Meetings approach, certain shareholders of a Fund may receive a call from a representative of AST, if the Fund has not yet received their vote. Authorization to permit AST to execute proxies may be obtained by telephonic instructions from shareholders of a Fund. Proxies that are obtained telephonically will be recorded in accordance with procedures that management of each of the Funds believes are reasonably designed to ensure that the identity of the shareholder casting the vote is accurately determined and that the voting instructions of the shareholder are accurately determined.

There are additional requirements regarding proposals of shareholders, and a shareholder contemplating submission of a proposal for inclusion in the Fund’s proxy materials is referred to Rule 14a-8 under the 1934 Act.

Non-Rule 14a-8 proposals of business to be considered by the Funds’ shareholders may be made at an annual meeting of shareholders (1) by or at the direction of the Boards of Trustees or (2) by any shareholder of a Fund who was a shareholder of record from the time the shareholder gave notice as provided in the Funds’ By-Laws to the time of the annual meeting, who is entitled to vote at the annual meeting on any such business and who has complied with the By-Laws. Even if timely notice is received, a Fund may exercise discretionary voting authority in certain other circumstances permitted by Rule 14a-4(c) and SEC guidance related thereto. Discretionary voting authority is the ability to vote proxies that shareholders have executed and returned to a Fund on matters not specifically reflected on the form of proxy card.

SHAREHOLDERS WHO DO NOT EXPECT TO VIRTUALLY ATTEND THE MEETINGS AND WHO WISH TO HAVE THEIR SHARES VOTED ARE REQUESTED TO DATE AND SIGN THE ENCLOSED PROXY CARD(S) AND RETURN THEM IN THE ENCLOSED ENVELOPE. NO POSTAGE IS REQUIRED IF MAILED IN THE UNITED STATES.
